## Complete Program For Autumn Meet Announced

Race Meeting Will Include 23 Events and Polo Match Between All-Hawaii and Picked Team—Reno Horses Will Arrive Here Soon for Events—Ladies' Race Will Be One of Features—Cups Donated By H. M. Von Holt, F. F. Baldwin, Z. S. Spalding and D. P. R. Isenberg

Members of the racing committee of the Hawaii Polo and Racing Club have completed the program for the two days' race meet on September 2 and 3. The final program differs from the tentative program and according to the members will be a big improvement.

One month from today the second day of the autumn meeting will be here and interest is not lacking in the racing game. There is expected to be a number of horses here from the coast, and John O'Rourke, Herbert Ayres, Domingo Ferreira and Jerry Broderick have been paying a visit to Reno, looking over Wingfield's stable and other horses there.

Furling is coming down to be raced under the colors of Harold Giffard, and it is reported that Mary Jay and a number of other entries will be here before the first of September. A number of the horses have been working out at the track and Golden Show, Molokai, Oneonta, and Umpqua have been setting the railbirds wondering in the morning workouts.

The entrance of a ladies' dash into the program has created much interest, and there is certain to be a large entry list. The polo pony bending race is a new feature, and the ball and mallet race is certain to be attractive for those interested in polo.

The seventh race on the first day will be known as the Queen's race. H. M. von Holt has donated a cup for the ninth race to the winner, providing the time of 1:42 made by Oneonta is lowered. Harness racing will be featured on Labor Day, and on this day the Hawaiian Derby, Merchant Cup, Honolulu Polo Cup, Duke of Norfolk Memorial Stakes, will be staged before luncheon.

The afternoon the Creola Challenge Cup, Inter-Island Cup and feature races will be staged. The program will conclude on Saturday with a polo match between the All-Hawaii and a picked team. The complete program will be as follows: SATURDAY, SEPTEMBER 2, 1916.

Kindergarten Race—First Race—Four furlongs; free-for-all, for 3-year-old colts. Purse, \$200, of which \$50 goes to second and cup valued at \$50. Colts to carry 115 pounds, fillies 115 pounds. Colts and fillies not having previously raced to be given a three-pound allowance. Entrance fee, 10 per cent.

Practise games have been held on mornings during the week and a number have been going out on Saturday afternoons.

## FULLER, CUNHA, KRUGER AND LANE WILL PERFORM FOR KIDS AT Y. M.

Better Vacation Boys and Girls Will Witness Free Show At Association

The general idea and plans for tomorrow's entertainment were given a big boost yesterday when Robert K. Fuller, Hawaii champion diver, consented to give his services in an exhibition of fancy diving. Mr. Fuller will be assisted by one or two other divers of lesser note. It is understood that Stubby Kruger and Clarence Lane as well as George Cunha will also give the Better Vacation boys and girls a chance to see them in their daily stunt of making the tank turns and speeding through the water in a way that bids well to smash some more world's records on August 19.

It is a mighty fine thing that here in Hawaii we have such a large number of swimmers who rank among the world's greatest swimmers, but it is a finer thing that these same men are willing to give their time to entertain free of charge the less fortunate members of society.

Not only in the aquatic line will the boys and girls and their parents be treated to the very best, but an elaborate athletic program has been arranged in which will be featured the island's best athletes.

Chief Thurston has kindly consented to permit August Plada to do a single and double acrobatic turn with Robley. Plada is the best tumbler and mat man ever developed in the islands. The parallel bar work will feature Alexander, and Posee and both of these young men, while well seasoned bar workers, have a lot of new stuff that is sure to make a big hit with the audience.

The ring work will be done by Victor Kahn, Robert Chang, R. Cooper and Eddie Kam, the four young men that made the big hit at the Y's second annual entertainment in June.

David Bent, the present holder of the waterless high diving championship of the Hawaiian islands, will give

an exhibition of the art of gymnasium high diving without water.

AN HELP.

It is never an easy matter to get athletes to rehearse for an exhibition, but when the boys of the different clubs were told that this entertainment was for the little boys and girls the most of whom had never had an opportunity to see anything outside of a 5-cent picture show, and that no charge was to be made and everything free, why they just jumped at the idea and each and every one of them is working hard to make the entertainment the most successful ever held at the Y.

Miss Alice Parker has been requested to assist in the music line and in all probability Miss Parker will enrich the program with several musical numbers. Gordon Ham, Louis Camacho and the Freitas boys of Kaimuki, with Albert Naole, O'Yung Cheong and Lum Kum Him of the Better Vacation school grounds will lead the smaller boys in the mat work and balancing and these little fellows will in turn be well supported by the older and more experienced athletes.

After the exhibition in the gymnasium, which will take about an hour and a quarter, the best boy swimmers of the different clubs will be equally divided into two teams and an informal game of water polo will be played. There will also be relay races, a 50-yard and 120-yard race. After the races the water polo and the relays, then the dream of the small boy's heart will be the order of the day, diving for apples, and be they green or ripe it's all the same to the future Cunha and Kallensmokus, but in this case they are going to be nice, big ripe ones.

Any outside of those who have been attending the Better Vacation play ground who wish to attend this performance may do so by getting in touch with either Mrs. Mary Moore or Miss Elizabeth Spencer at the Kapiolani play ground, and after the regular play ground children have been arranged for then others will be cared for and there will be accommodations for 500.

Sir: Having noticed in your issue of July 31 the defuncted at Kayo Heelon from coast artillery mittmen, I take this opportunity of putting forth the claims of a member of the Quartermaster Corps at this post, Cyclone Thompson. Thompson has never performed in local circles but is well known in the States, having established quite a reputation as the lightweights. Thompson is at present doing light work at Dad Myrick's training camp at the base of Diamond Head and under the eye of a past-master like Myrick is sure to improve.

Sunday afternoon before a crowd of fans he boxed 12 spirited rounds with his handlers, Myrick, Dozier and Sigsgaard, and showed that he has a punch in either hand and a world of speed. All we want for this boy is a chance. De Russy and Schofield take notice.

## THREE COMPANY SQUADS DIVIDE HONORS AT MEET

Second Company Takes Meet; Third and First Company Teams Win at Ruger

(Special Star-Bulletin Correspondence) FORT RUGER, Aug. 3.—The athletic field at Fort Ruger was the scene of many exciting events Thursday.

The forenoon was featured by many close and exciting races of all descriptions and the afternoon by two baseball games, the last of which was the stellar event of the day, the 3d Company winning by the close score of 3 to 1, after a hard battle for nine innings.

The 2d Company has the honor of winning the meet, as their number of points totaled 32, against the 31 scored by the 3d Company, and 10 by the 1st Company. The meet was a grand success for the winners and a few of the individuals who acted as judges. Had impartial decisions been given and the provisions of Cir. 35, W. D. 1908, under which the meet was to be held, been strictly adhered to the result would have been much different. Pvt. Jones, 3d Company, was disqualified in the military relay race when he lost his hat on the 10-yard line. There is nothing in the W. D. order about this, the main point being to deliver the “message across the line in the shortest possible time.” Again, in the “scrub race,” when the 1st and 2d Companies were tied the number of points in this event, which was 8, was divided, giving each company 4. This is strictly against regulations, as in case of a tie the event is to be run over. This decision made it impossible for either the 1st or 3d Companies to win, while any other decision would have given all an equal chance.

The result of the meet was as follows: Tent pitching, won by 3d Company, time, 4 minutes.

Potato race—First, Pvt. Wright, 3d Company, 1 min. 18 sec.; second, Sgt. Miller, 1st Company, 1 min. 22 sec.; third, Pvt. Tilley, 1st Company, 1 min. 24 sec.

Gallery practice—First, Sgt. Moody, 2d Company, score 45; second, Sgt. Herron, 1st Company, score 43.

Equipment race—First, Cpl. Ashley, 2d Company, 1 min. 20 sec.; second, Cpl. Baxter, 3d Company, 1 min. 24 sec.; third, Cpl. Wauluskus, 2d Company, 1 min. 32 sec.

Baseball relay, won by 2d Company, time, 1 min. 53 sec.

Military relay race, won by 2d Company, time 1 min. 56 1/5 sec.

Scrub race, tie between 1st and 2d companies; time 15 sec.

Tug of war, won by 3d Company.

Baseball game, 1st Company 6, 2d Company 1; 3d Company 2, 1st Company 1.

## Women May Stage Polo Match In Near Future

Members of Fair Sex in Honolulu Take Up Mallet Game in Earnest—Knowledge of Riding Big Factor in Success—Practise at Kapiolani Polo Field Brings Out Knowledge of Game—Eleanora Sears Succeeded in Organizing Team

Miss Eleanora Sears of Boston, horsewoman, tennis star, polo player, who is considered to be the most versatile athlete among women, is not the only woman to organize a polo team. Some time ago Miss Sears had a team at Coronado, and wanted to play with the B'lingum feminine riders but the match fell through. Honolulu women are going to succeed where Miss Sears failed.

Honolulu has always taken a deep interest in all branches of athletics, and the women of Hawaii have taken up polo as they have tennis, golf and swimming. They are going about it in a thorough manner and under the tutelage of Walter Dillingham and Harold Castle, have shown unusual ability in learning the mallet game.

Match Later?

Honolulu has a number of feminine riders who will rank with the best in any hunt club, and this in itself is a big help in learning the game. There are enough of the fair sex who know the game now to organize two teams, and polo enthusiasts are expecting that one of the feature events of the year will be a private match in the future between two teams representing the young ladies of Hawaii.

Recently a number of the best riders played in a practise match at the Kapiolani field with the men, and under the instruction of Walter Dillingham showed a keen interest in the sport. They rode well, and instead of looking at the game as a hobby, paid careful attention to the advice of the tutor, and one could readily see that

they had absorbed many of the fine points of the game after an hour's practise.

Polo Popular? Among those who have taken up polo and have been practising of late are Mrs. Harold Castle, Mrs. Potter, Mrs. Richard Ivers, Mrs. Arthur Rice and the Misses Wilhelmina Tenney, Alice Macfarlane, Lois Bundred and Laura Low. All are excellent riders and have taken an interest in the game.

It was whispered around the polo field on Monday at the time of the Visitors-Oahu match that the married ladies had challenged the single ladies to a match for a cup. The rumor could not be confirmed, but many expect that in the near future there will be a real match between these two teams.

Practise Match. One morning this week a number of the ladies were out for practise with the men, and some of the men who were learning the game also held practise. The riding by the ladies was a feature, and as soon as they became more familiar with the mallet, should play an interesting game according to the polo critics.

In learning how to play the No. 1 position or back, the women were as adept and eager as the men, and readily adapted themselves to the change in position necessary in polo. It is certain that with continued practise and a further knowledge of the game a match in the future is an expectation rather than a hope.

Chinese tennis players will begin the first round of the Kaimuki tournament on Saturday afternoon at 2 o'clock, playing Saturday and Sunday of this week. The drawings were made last evening, and enough star players have entered to insure a fast tourney.

The ladies' singles, men's doubles, ladies' doubles and mixed doubles will begin later on, and the drawings and pairings will be announced later. The Kaimuki courts are in good shape for match play, and a number of hard battles are expected before the finals are reached. The following players will participate Saturday and Sunday: Drawings of Singles.

Tom Ayoy vs. Y. Wong Leong; M. F. Chung, bye; Lim Yung vs. C. A. Wong; A. H. Wong vs. Tows Yung; P. C. Wong vs. Young Wah Hui; B. H. Choy vs. Harry Ahong; Tim Ayong vs. C. S. Wo; C. K. Amosa vs. K. M. Louis; Tan Lo vs. Y. E. Tsau; J. Y. T. Zane vs. A. Akana; Ed Chung vs. K. Y. Ching; Kong Sing Loy vs. Joseph Yap; Henry Yap, bye; K. T. Ho vs. C. B. Al.
